VERNON S. BRODERICK, United States District Judge:

On September 13, 2023, the parties filed a proposed case management plan and joint letter. (Docs. 38 and 39.) Because the proposed case management plan only included a response to the first question and the parties did not file an AO 85 form, I entered an Order directing the parties to complete the proposed case management plan. (Doc. 40.) Subsequently, I received notice from Plaintiff's counsel that the parties did intend to submit the proposed case management plan as it was filed, therefore on September 14, 2023, I directed the parties to file a fully executed AO-85 Notice, Consent, And Reference Of A Civil Action To A Magistrate Judge Form available at available at <https://www.nysd.uscourts.gov/forms/consent-proceed-us-magistrate-judge> so that the matter may be referred to a United States Magistrate Judge pursuant to 28 U.S.C. § 636(c).

To date, the parties have not done so. Accordingly, the parties are directed to file the AO-85 or, if the no longer wish to refer the case to a Magistrate Judge, file a completed proposed case management plan, on or before Friday October 6, 2023 so that this matter may proceed.

SO ORDERED.
